Cathy, since you can't access e-routing, I'm attaching a letter that will be going to multiple PRPs for Wilcox Oil. I'm also attaching Enclosure 1, Special Notice and Enclosure 5 List of Recipients.

I am not sending Enclosures 2-4 Draft Settlement Agreement and Order on Consent, Draft Statement of Work and Summary of Past Costs. If you'd like to review these documents, let me know and I'll send them, too.

This correspondence has been concurred by Bart Canellas, Marvin Benton, Lawrence Andrews, John Meyer, Lydia Johnson & Ben Banipal. Please let me know if you approve of this letter and I will pass it on to Mark Peycke for final approval before going to Carl for signature.

Thanks and let me know if you have any questions or comments.
